FREQUENTLY ASKED QUESTIONS

HOW "GOOD" DO I HAVE TO BE TO GO HELI-SKIING?

We recommend that you be both ski fit and an advanced or better level at Whistler Blackcomb. We make every attempt to group skiers and boarders by ability. Please review the pace and ability of each package before making a decision. Our agents are happy to help rate your ability.

WHAT IF THE WEATHER IS BAD?

We offer fantastic skiing and boarding during difficult weather in sub-alpine terrain. However, if our helicopters are unable to fly due to safety considerations, we will cancel the day. Check out our Dawn Patrol option for bad weather days, exclusive to WHS guests; where the best place to be in a storm is on Whistler Blackcomb.

WHAT IS YOUR CANCELLATION POLICY?

Our flexible policy allows you to cancel or make date changes up until 10 am the day prior to departure and still get a full refund. If you cancel or make date changes after 10 am the morning before your fly day, you will be charged a cancellation fee of \$200/person plus applicable taxes. If you cancel on the morning of your intended fly day, there will be no refunds. If you cannot complete all of your runs due to injury, illness, or ability, there will be no refund. We recommend guests carry travel insurance to cover costs in the event of sickness or injury prior to departure. If we cancel our day due to weather considerations, a full refund will be issued. If we cancel during the ski day, you will be refunded based on the amount of runs skied.
